COMPETITION NOTICE

Article 1 – Object of the Competition

Riva Industria Mobili S.p.A., a company that markets its solid wood furniture collection under the registered trademark **RIVA1920**, hereby announces the **10th edition of the Design Awards** titled “*Light Up Your Idea*”, inviting proposals for the design of a **STORAGE FURNITURE PIECE** to be considered for inclusion in the RIVA1920 collection.

Technical Guidelines:

- RIVA1920 Solid Wood: Walnut, Oak, Briccola
- Additional Materials: We're open to proposals featuring innovative materials and welcome your creativity. The only requirement is that wood remains the primary element.

The Jury will favor submissions characterized by simple feasibility studies with strong aesthetic appeal that successfully integrate design and sustainability, while faithfully interpreting the unique style of RIVA1920 products.

Environmental protection and a passion for nature are core principles for RIVA1920. The production process is grounded in the selection of high-quality raw materials sourced from certified reforestation areas. Every component is subject to thorough qualitative and functional compliance checks and makes use of vinyl-based glues and natural oil and wax finishes, ensuring an authentic and entirely natural product.

Article 2 – Conditions for Participation

The competition is open to all participants, either individually or in groups. Each individual or group may submit only one project. In the case of group submissions, a team leader must be designated, who will act as the sole representative and point of contact with the competition organizers.

2. Upload the project files.

All entries must be submitted anonymously.

IMPORTANT: None of the four required design boards may include the name of the designer. Each board must only feature the project name.
